The first Company Tour at INPEX Tokyo head office
in summer holiday season

INPEX CORPORATION (INPEX) held the first Company Tour on 25 July at its Tokyo head office for employees and their kids during the summer recess of elementary schools.

22 INPEX employees and their 33 elementary school kids joined in this Tour. They were first given the presentation on INPEX business activities and experienced business manner practice of how to properly exchange business cards. They also enjoyed a video conference with INPEX Perth office staff.

INPEX plans to continue to hold Company Tour since it will contribute to promoting interests in future career and work on the side of the kids and to further fostering good relations between parents and kids through a better understanding of INPEX's mission and social responsibility.
