

●P43 「Contributing to Social Development along the BTC Pipeline Route」

As to the amount for BTC social investment project stated as "our BTC partners contributed US\$20 million to the social initiatives undertake" on the article "Contributing to Social Development along the BTC Pipeline Route" on page 43 in booklet of our CSR Report 2008, we confirmed this amount was estimated to be spent for BTC social investment project in 2007 and US\$12.8 million was actually spent for the project. Therefore, we corrected the amount to US\$12.8 million on our web site.
