### **INPEX Wins Best Booth Award at the IPA, Indonesia**

INPEX showed a strong presence at the 34<sup>th</sup> Annual Indonesian Petroleum Association (IPA) Convention and Exhibition held in Jakarta, Indonesia, from 18<sup>th</sup> to 20<sup>th</sup> May 2010. Among 21 PSC Contractor Exhibitors, INPEX won the Best Booth Award (PSC Contractor), which is an outstanding achievement of being awarded for two consecutive years.

More than 3,300 participants joined the IPA Convention and Exhibition, and the INPEX booth attracted a number of visitors including industry delegates and government officials. INPEX set up the booth with the theme "Development of Giant Gas Field as New LNG Center for Indonesia", and the staff members of INPEX Jakarta office delivered a presentation describing the INPEX activities in Indonesia (The title : "Development of the Abadi Gas Field in the Arafura Sea - Frontier project in Indonesia -"), which captured many participants.

INPEX has been expanding its exploration and development activities in Indonesia as one of its international business core areas. INPEX is conducting production activity in the Offshore Mahakam Block with the largest gas production in Indonesia. INPEX would like to contribute to the Indonesian society through the hydrocarbon development activity.
