## **INPEX Provides Carbon-neutral Arrangements to HOKKAIDO GAS**

**TOKYO, JAPAN** - [INPEX CORPORATION](#) (INPEX) announced that it has made carbon neutral arrangements for Hokkaido Gas CO., LTD (HOKKAIDO GAS).

The carbon credits used for the carbon neutral arrangements have been verified by a highly reliable third-party certification authority as deriving from greenhouse gas reduction efforts at global forest conservation projects, etc. .

In its "[Business Development Strategy - Towards a Net Zero Carbon Society by 2050](#)" announced in January 2021, INPEX positions the contribution to realizing a net zero society as part of its core management principle. The carbon-neutral arrangements to HOKKAIDO GAS are aligned to this core principle.

INPEX will continue to strengthen its relations with HOKKAIDO GAS through the carbon-neutral arrangements and pursue opportunities for collaboration in diverse business fields. Furthermore, INPEX will proactively engage in energy structure reforms towards the realization of a net zero carbon society by 2050 while fulfilling its responsibility for the development and stable supply of energy.

### **About INPEX**

INPEX CORPORATION is Japan's largest exploration and production (E&P) company, and is currently involved in projects across multiple continents, including the Ichthys LNG Project in Australia as Operator. Through building a cleaner upstream business and advancing hydrogen and renewables solutions, INPEX aims to become a leading energy company and continue providing a stable and efficient supply of energy to its customers while pioneering energy transformation towards a net zero carbon society by 2050.
