### **About INPEX**

INPEX CORPORATION is Japan's largest exploration and production (E&P) company, comparable in size and scope to other mid-tier international oil and gas E&P companies. INPEX is currently involved in over 70 projects across more than 20 countries, including two large-scale LNG Projects, the Ichthys LNG Project in Australia and the Abadi LNG Project in Indonesia, as operator. Through sustainably growing its oil and gas development business, INPEX aims to become a top class international oil and gas E&P Company following the majors by the early 2020s.
