About INPEX

INPEX CORPORATION is Japan's largest exploration and production (E&P) company, and a mid-tier E&P player just behind the world's oil majors. INPEX is currently involved in approximately 70 projects across more than 20 countries, including the Ichthys LNG Project in Australia as Operator. Through sustainably growing its oil and gas development business, INPEX aims to become a top class international oil and gas E&P Company and continue providing a stable and efficient supply of energy to its customers.
