### **About INPEX**

INPEX CORPORATION is Japan's largest exploration and production (E&P) company, and a mid-tier E&P player just behind the world's oil majors. INPEX is currently involved in approximately 70 projects across more than 20 countries, including the Ichthys LNG Project in Australia as Operator. Through sustainably growing its oil and gas development business, developing a global gas value chain business and reinforcing its renewable energy initiatives, INPEX aims to become a leading energy company and continue providing a stable and efficient supply of energy to its customers.
