**INPEX Selected in Large Enterprise Category of 2019 Certified Health & Productivity Management Outstanding Organizations Recognition Program (White 500)**

Tokyo, Japan - [INPEX CORPORATION](#) (INPEX) announced today that it was recognized as an outstanding enterprise in the large enterprise category (White 500) of the 2019 Certified Health & Productivity Management Outstanding Organizations Recognition Program by the Japanese Ministry of Economy, Trade and Industry (METI) and the Nippon Kenko Kaigi, an organization promoting public health.

The recognition program was established by METI to recognize companies that are engaged in outstanding health management practices aligned to initiatives addressing community health issues as well as public health promotion initiatives driven by the Nippon Kenko Kaigi.

The INPEX Group has reinforced its health management implementation structure through the formulation of the INPEX Group Health Statement in 2018 and the establishment of a health management implementation committee. The group addresses all health-related policies in cooperation with its labor union and health insurance union.

INPEX will continue to implement health management practices designed to maintain and improve the health and well-being of all its employees so they may energetically work to their full potential.
