Report on Mt. Fuji Clean-up Activity

INPEX CORPORATION (INPEX) is pleased to report that 31 employees of Teiseki Pipeline Co., Ltd., one of INPEX Group companies, participated in Mt. Fuji Clean-up Activity on 24 August 2013, as they did last year.

INPEX owns a natural gas pipeline network of 1,400km in Japan, extending in 8 prefectures including Shizuoka Prefecture. Through this network INPEX supplies natural gas to plants and city gas companies located along the pipeline network in the Kanto-Koshinetsu region. In Shizuoka Prefecture, the pipeline is controlled at Itazuma Control Center of Teiseki Pipeline Co. Ltd. in Gotemba City.

The 31 participants came from Itazuma Control Center, head office of Teiseki Pipeline Co., Ltd., and its branch offices.

The group called "Keep Mt Fuji Clean and Beautiful" organized the clean-up activity, and their aim is to keep the beautiful Mt. Fuji as one of World Heritage sites for future generations. 1000 participants in total joined in the activity to collect trash like empty cans and PET bottles.
